The Investor agrees that this subscription shall be irrevocable and shall survive the death or disability of the Investor (if a natural person). The Investor understands that if this subscription is not accepted, in whole or in part, funds received by the Company pursuant hereto will be returned to the Investor, without interest accrued thereon.

(b) The Investor acknowledges that the Company has the right to accept or reject this subscription, in whole or in part, for any reason, and that this subscription shall be deemed to be accepted by the Company only when this Agreement is countersigned on the Company’s behalf. The subscription under this Agreement either will be accepted or rejected, in whole or in part, as promptly as practicable after receipt and occurrence of the Initial Closing (defined below). Upon rejection of the subscription under this Agreement for any reason, any and all funds received with this Agreement shall be returned to the Investor without deduction for any fee, commission or expense, and without accrued interest with respect to any money received, and this Agreement shall be deemed to be null and void and of no further force or effect. This subscription shall not be deemed to have been accepted by the Company until accepted by the Company as evidenced by its signature hereto.

(c) The initial closing of the sale and purchase of Flash Preferred pursuant to the Subscription Agreements (the “**Initial Closing**”) is conditioned upon the Company having received and accepting at the Initial Closing aggregate subscriptions from Flash Investors for shares of Flash Preferred having a total Purchase Price of at least the Minimum Amount, and receipt of the Purchase Price for such subscriptions in cleared funds into the Escrow Account (to the extent such Purchase Price is being paid in cash pursuant to Section 2(e)), in each case on or prior to the Offering End Date. (d) The issuance of the Shares shall take place upon acceptance of the subscription provided for in this Agreement by the Company at any time on or after the Initial Closing (the date on which the Shares are issued shall be referred to herein as the “**Closing Date**”).

(e) At or prior to the Closing Date, the Investor shall deliver to the Company the Purchase Price by (a) wire transfer or other electronic funds transfer in accordance with the Company's instructions as provided in the FlashFunders Platform, (b) cancellation of indebtedness if agreed to in advance by the Company, or (c) any combination of the foregoing. In the event that payment by Investor is made, in whole or in part, by cancellation of indebtedness, then Investor shall surrender to the Company for cancellation at the Closing Date any evidence of indebtedness or shall execute an instrument of cancellation in form and substance acceptable to the Company.

(f) Effective as of the Closing Date, the Investor and the Company shall have executed and delivered the Investors' Rights Agreement, dated as of the date of the Initial Closing, by and among the Company and the Flash Investors (the "**Rights Agreement**").

(g) Promptly following the Closing Date, the Company shall deliver to Investor a certificate registered in Investor's name representing the Shares.

**3. Representations and Warranties of Investor.** Investor hereby represents and warrants to the Company and to FlashFunders, as of the date hereof and as of the Closing Date, as follows:

(a) Investor has all necessary power and authority to execute and deliver this Agreement and to carry out its provisions. All action on Investor's part required for the lawful execution and delivery of this Agreement has been taken. Upon its execution and delivery, this Agreement will be a valid and binding obligation of Investor, enforceable in accordance with its terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights, and (b) as limited by general principles of equity that restrict the availability of equitable remedies.

(b) Investor is an "accredited investor" as such term is defined in Rule 501 of Regulation D promulgated under the Securities Act of 1933, as amended (the "**Securities Act**"), and all information provided by Investor through the Platform relating to Investor's status as an accredited investor is complete, accurate and true in all respects.

(c) Investor is obtaining the Shares and any shares of Common Stock to be issued to Investor upon conversion of the Shares (the "**Conversion Shares**") for Investor's own account and Investor has no present intention of distributing or selling the Shares or the Conversion Shares except as permitted under the Securities Act and applicable state securities laws.

(d) Investor has sufficient knowledge and experience in business and financial matters to evaluate the Company, its proposed activities and the risks and merits of this investment. Investor has the ability to accept the high risk and lack of liquidity inherent in this type of investment.

(e) Investor understands and acknowledges that the Company has a limited financial and operating history and that an investment in the Company is highly speculative and involves substantial risks. Investor can bear the economic risk of Investor's investment and is

able, without impairing Investor's financial condition, to hold the Shares and the Conversion Shares for an indefinite period of time and to suffer a complete loss of Investor's investment.

(f) Investor has had an opportunity to discuss the Company's business, management and financial affairs with directors, officers and management of the Company. Investor has also had the opportunity to ask questions of and receive answers from the Company and its management regarding the terms and conditions of this investment. Investor understands the significant risks of this investment. Investor believes that it has received all the information Investor considers necessary or appropriate for deciding whether to purchase the Shares and the Conversion Shares. Investor understands that such discussions, as well as any information issued by the Company, were intended to describe certain aspects of the Company's business and prospects, but were not necessarily a thorough or exhaustive description. Investor acknowledges that any business plans, investor presentations or projections prepared by the Company have been, and continue to be, subject to change and that any projections included in such materials or otherwise are necessarily speculative in nature, and it can be expected that some or all of the assumptions underlying the projections will not materialize or will vary significantly from actual results. Investor also acknowledges that it is not relying on any statements or representations of the Company, FlashFunders, or their respective agents, for legal advice with respect to this investment or the transactions contemplated by this Agreement.

(g) Investor has the capacity to protect its own interests in connection with the purchase of the Shares by virtue of its business or financial expertise.

(h) Investor is aware that neither the Shares nor any Conversion Shares have been registered under the Securities Act of 1933, and that the Shares and the Conversion Shares are deemed to constitute "restricted securities" under Rule 144 promulgated under the Securities Act ("**Rule 144**"). Investor also understands that the Shares are being offered and sold pursuant to an exemption from registration contained in the Securities Act based in part upon Investor's representations contained in this Agreement.

(i) Investor understands that the Shares and, if issued, the Conversion Shares must be held indefinitely unless they are subsequently registered under the Securities Act or an exemption from such registration is available. Investor has been advised or is aware of the provisions of Rule 144, as in effect from time to time, which permit limited resale of shares purchased in a private placement subject to the satisfaction of certain conditions, including, among other things, the resale occurring following the required holding period under Rule 144.

(j) Investor acknowledges and agrees that the Shares are subject to restrictions on transfer set forth in the Rights Agreement and legends and restrictions on transfer described in Section 5 of this Agreement.

(k) If Investor is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended (the "Code")), Investor represents that Investor has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Shares or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Shares, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other

consents that may need to be obtained in connection with such purchase, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale or transfer of the Shares. The Company's offer and sale and Investor's subscription and payment for and continued beneficial ownership of the Shares will not violate any applicable securities or other laws of Investor's jurisdiction.

(l) Investor has reviewed this Agreement in its entirety, has had an opportunity to obtain the advice of counsel prior to executing this Agreement and fully understands all provisions of this Agreement, the Charter and the Rights Agreement.

(m) Investor has reviewed with its own tax advisors the U.S. federal, state, local and foreign tax consequences of this investment and the transactions contemplated by this Agreement. With respect to such matters, Investor is relying solely on such advisors and not on any statements or representations of the Company, FlashFunders or any of their respective agents, written or oral. Investor understands that it (and not the Company) shall be responsible for its own tax liability that may arise as a result of this investment or the transactions contemplated by this Agreement.

(n) If Investor is an individual, then Investor resides in the state or province identified in the address of Investor set forth on the signature page hereto; if Investor is a partnership, corporation, limited liability company or other entity, then the office or offices of Investor in which its investment decision was made is located at the address or addresses of Investor set forth on the signature page hereto.

**4. Representations and Warranties of the Company.** The Company hereby represents and warrants to and agrees with Investor that except as set forth on the Schedule of Exceptions attached hereto as Exhibit B (if any), each of the following statements is true and correct on the date hereof and, if this subscription is accepted by the Company in whole or in part, will be true and correct on the Closing Date:

(a) **Organization, Good Standing and Qualification.** The Company is a corporation duly organized, validly existing and in good standing under the laws of the state of organization. The Company has all requisite corporate power and authority to own and operate its properties and assets, to execute and deliver this Agreement, to issue and sell the Shares and the Conversion Shares and to carry out the provisions of this Agreement and the Charter.

(b) **Capitalization.**

(i) Immediately prior to the Initial Closing, the authorized capital stock of the Company will be as set forth in the Charter. The capitalization table attached to this Agreement as Exhibit C (the "**Cap Table**") sets forth, as of the date indicated thereon, the number of outstanding shares of capital stock of each class or series of shares of the Company outstanding on such date.

(ii) In addition to the outstanding shares of capital stock set forth on the Cap Table, as of the Initial Closing the Company has reserved:

(1) the Shares for issuance pursuant to this Agreement and the Conversion Shares for issuance upon conversion of the Shares;

(2) the Incentive Pool Shares for issuance pursuant to one or more equity incentive plans that are either currently adopted or to be adopted as soon as practicable following the Initial Closing; and

(3) the shares, if any, set forth on the Cap Table as reserved for issuance upon exercise of the outstanding warrants, convertible notes or other equity securities of the Company set forth on the Cap Table.

(iii) The Common Stock and the Flash Preferred shall have the rights, preferences, privileges and restrictions set forth in the Charter. The outstanding shares have been duly authorized and validly issued in compliance in all material respects with applicable laws, and are fully paid and nonassessable.

(iv) The Shares, when issued and delivered and paid for in compliance with the provisions of this Agreement, will be validly issued, fully paid and nonassessable. The Conversion Shares have been duly and validly reserved and, when issued in compliance with the provisions of this Agreement, the Charter and applicable law, will be validly issued, fully paid and nonassessable. The Shares and the Conversion Shares will be free of any liens or encumbrances, other than any liens or encumbrances created by or imposed upon the Investor; *provided, however*, that the Shares and the Conversion Shares are subject to restrictions on transfer under U.S. state and/or federal securities laws and as set forth herein and in the Rights Agreement. Except as set forth in the Rights Agreement, the Shares and the Conversion Shares are not subject to any preemptive rights or rights of first refusal.

**(c) Authorization; Binding Obligations.** All corporate action on the part of the Company, its officers, directors and stockholders necessary for the authorization of this Agreement and the Charter, the performance of all obligations of the Company hereunder and thereunder on the Closing Date and the authorization, sale, issuance and delivery of the Shares pursuant hereto and pursuant to the Charter has been taken or will be taken prior to the Closing Date. This Agreement, when executed and delivered, will be valid and binding obligation of the Company enforceable in accordance with its terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights, and (b) general principles of equity that restrict the availability of equitable remedies. The sale of the Shares hereunder and the subsequent conversion of the Shares into the Conversion Shares are not and will not be subject to any preemptive rights or rights of first refusal that have not been properly waived or complied with as of the date of such sale or conversion.

**(d) Compliance with Laws.** The Company is not in violation of any applicable statute, rule, regulation, order or restriction of any domestic or foreign government or any instrumentality or agency thereof in respect of the conduct of its business or the ownership of its properties, which violation would materially and adversely affect the business, assets, liabilities, financial condition, operations or prospects of the Company.

(e) **Offering Valid.** Assuming the accuracy of Investor's representations and warranties contained herein, the offer, sale and issuance of the Shares and the Conversion Shares will be exempt from the registration requirements of the Securities Act, and will have been registered or qualified (or will be exempt from registration and qualification) under the registration, permit or qualification requirements of all applicable state securities laws. Neither the Company nor any agent on its behalf has solicited or will solicit any offers to sell or has offered to sell or will offer to sell all or any part of the Shares to any person or persons so as to bring the sale of the Shares by the Company within the registration provisions of the Securities Act or any state securities laws.

(f) **Material Contracts.** All of the Company's agreements and contracts in effect as of the date of this Agreement involving aggregate payments to or from the Company in excess of \$25,000 and all other contracts deemed material by the Company are, to the Company's knowledge, valid, binding and in full force and effect in all material respects, subject to the laws of general application relating to bankruptcy, insolvency and the relief of debtors and the rules of law governing specific performance, injunctive relief and other equitable remedies.

(g) **Intellectual Property.** To the knowledge of the Company (without having conducted any special investigation or patent search), the Company owns or possesses or can obtain on commercially reasonable terms sufficient legal rights to all patents, trademarks, service marks, trade names, copyrights, trade secrets, licenses (software or otherwise), information, processes and similar proprietary rights ("**Intellectual Property**") necessary to the business of the Company as presently conducted, the lack of which could reasonably be expected to have a material adverse effect on the Company. Except for agreements with its own employees or consultants, standard end-user license agreements, support/maintenance agreements and agreements entered in the ordinary course of the Company's business, there are no outstanding options, licenses or agreements relating to the Intellectual Property of the Company, and the Company is not bound by or a party to any options, licenses or agreements with respect to the Intellectual Property of any other person or entity. The Company has not received any written communication alleging that the Company has violated any of the Intellectual Property of any other person or entity.

(h) **Title to Properties and Assets; Liens.** The Company has good and marketable title to its properties and assets, and has good title to all its leasehold interests, in each case subject to no material mortgage, pledge, lien, lease, encumbrance or charge, other than (i) liens for current taxes not yet due and payable, (ii) liens imposed by law and incurred in the ordinary course of business for obligations not past due, (iii) liens in respect of pledges or deposits under workers' compensation laws or similar legislation, and (iv) liens, encumbrances and defects in title which do not in any case materially detract from the value of the property subject thereto or have a material adverse effect on the Company, and which have not arisen otherwise than in the ordinary course of business.

(i) **Compliance with Other Instruments.** The Company is not in violation of any material term of its Charter or Bylaws, each as amended to date, or, to the Company's knowledge, in any material respect of any term or provision of any material indebtedness, contract or agreement to which it is party which would have a material adverse effect on the Company. The execution and delivery of this Agreement by the Company, the performance by

the Company of its obligations pursuant to this Agreement, and the issuance of the Shares and the Conversion Shares, will not result in any material violation of, or materially conflict with, or constitute a material default under, the Company's Charter or Bylaws, each as amended to date.

**(j) Tax Returns and Payments.** The Company has timely filed all material tax returns required to be filed by it with appropriate federal, state and local governmental agencies. These returns and reports are true and correct in all material respects. All taxes shown to be due and payable on such returns, any assessments imposed, and, to the Company's knowledge, all other taxes due and payable by the Company on or before the Initial Closing have been paid or will be paid prior to the time they become delinquent.

**(k) Litigation.** There is no pending action, suit, proceeding, arbitration, mediation, complaint, claim, charge or investigation before any court, arbitrator, mediator or governmental body or, to the Company's knowledge, currently threatened in writing (i) against the Company or (ii) against any officer, director, key employee or consultant of the Company arising out of his or her consulting, employment or board relationship with the Company or that could otherwise materially impact the Company.

**(l) No Disqualification Event.** None of the Company, any of its predecessors, any affiliated issuer, any director, executive officer, other officer of the Company participating in the offering of the Shares, any beneficial owner of 20% or more of the Company's outstanding voting equity securities, calculated on the basis of voting power, nor any promoter (as that term is defined in Rule 405 under the Securities Act connected with the Company in any capacity at the time of sale (each, an "**Issuer Covered Person**" and, together, "**Issuer Covered Persons**") is subject to any of the "Bad Actor" disqualifications described in Rule 506(d)(1)(i) to (viii) under the Securities Act (a "**Disqualification Event**"), except for a Disqualification Event covered by Rule 506(d)(2) or (d)(3). The Company has exercised reasonable care to determine whether any Issuer Covered Person is subject to a Disqualification Event. The Company has complied, to the extent applicable, with its disclosure obligations under Rule 506(e), and has furnished to each Investor a copy of any disclosures provided thereunder.

## **5. Restrictive Legends.**

All certificates representing the Shares and the Conversion Shares shall have endorsed thereon the following legends:

**7. Miscellaneous.**

(a) **Further Assurances.** The parties agree to execute such further instruments and to take all such further action as may reasonably be necessary to carry out the intent of this Agreement.

## ATTACHMENT 1

### **MUTUAL AGREEMENT TO ARBITRATE AND WAIVER OF CLASS ACTION CLAIMS**

THIS MUTUAL AGREEMENT TO ARBITRATE AND WAIVER OF CLASS ACTION CLAIMS (this “**Arbitration Agreement**”) is made as of the date set forth on the Company’s signature page below, by and between Emotion Mining Company Inc., a Delaware corporation (the “**Company**”), and the “Investor” set forth on the Investor Acceptance page below (“**Investor**”). The words “you” and “your” in this Arbitration Agreement refer to the undersigned Investor and anyone acting on the Investor’s behalf including, without limitation, the Investor’s family, heirs, agents and assigns.

#### **RECITALS**

**A.** You and the Company have entered into a FlashSeed Preferred Stock Subscription Agreement dated on or after the date of this Agreement (the “**Purchase Agreement**”), and it is a condition to the closing of the sale of the shares of the Company’s capital stock under the Purchase Agreement that you and the Company execute and deliver this Arbitration Agreement.

**B.** You and the Company are executing this Arbitration Agreement to obtain the benefit of a speedy, impartial and cost-effective dispute resolution procedure.

#### **AGREEMENT**

NOW, THEREFORE, for the right to resolve your claims by arbitration rather than through the courts, you agree with the Company as follows:

**1. Agreement to Arbitrate.** Except as otherwise expressly provided in this Arbitration Agreement, you and the Company agree to settle by final and binding arbitration any claims and controversies arising out of or relating to your investment in the Company (“**Arbitrable Claims**”), which the Company may have against you or you may have against the Company or any third party (each and every such party is referred to herein as a “**Covered Party**”), including but not limited to the following: (a) any claim involving conduct alleged to be in violation of any local, state or federal constitution, regulation, ordinance, statute or common law; (b) any claim for breach of any contract, covenant or duty owed, express or implied; and (c) any claim for fraud, misrepresentation, or any other tort. This Agreement is enforceable under and subject to the Federal Arbitration Act, 9 U.S.C. Sec 1 *et. seq.* (the “**FAA**”). For avoidance of doubt, and not as a limitation, FlashFunders, Inc. and its affiliates and other related or associated persons are intended to be Covered Parties.

**2. Waiver of Class Action Claims. THE PARTIES AGREE THAT THEY MAY BRING CLAIMS AGAINST THE OTHER ONLY IN THEIR RESPECTIVE INDIVIDUAL CAPACITIES, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, REPRESENTATIVE, OR COLLECTIVE ACTION.**

**3. Arbitration Procedures.** Arbitration shall be filed with JAMS, Inc. (“**JAMS**”), and heard by one arbitrator (the “**Arbitrator**”) in the County in which the Company’s principal

executive offices are located (unless otherwise agreed by the parties to the arbitration). The arbitration shall be conducted in accordance with the JAMS Comprehensive Arbitration Rules & Procedures (the “**Rules**”) in effect at the time the claim is made. The Rules can be found and obtained at <http://www.jamsadr.com/rules-comprehensive-arbitration/> or alternatively can be obtained by requesting a copy from the Company. By signing this Agreement, you acknowledge that you have had an opportunity to review the Rules before signing this Agreement. The Arbitrator shall have the authority to order discovery by way of deposition, interrogatory, document production, or otherwise, as the Arbitrator considers necessary to a full and fair exploration of the issues in dispute, consistent with the expedited nature of arbitration. The Arbitrator shall apply, as applicable, federal or Massachusetts substantive law and law of remedies. The Arbitrator’s remedial authority shall be no greater than that available under each statutory or common law theory asserted and is authorized to award any remedy or relief available under applicable law that the Arbitrator deems just and equitable, including any remedy or relief that would have been available to the parties had the matter been heard in a court. The Arbitrator shall have the authority to provide for the award of attorneys’ fees and costs if such award is separately authorized by applicable law. The Arbitrator shall issue a written opinion that includes the factual and legal basis for any decision and award, unless the parties agree otherwise. A judgment upon any award rendered by the Arbitrator may be entered in any court having jurisdiction. You, the Company, any other Covered Party that is a party to the arbitration, legal counsel and the Arbitrator shall treat all arbitration proceedings, including any decision, award and opinion in support thereof, as confidential, and the Arbitrator shall issue such orders as are reasonably necessary to maintain such confidentiality.
